Landis Communities Report March 10, 2021

This report includes the weekly tracking of COVID-19 cases and deaths across Landis Communities. The vaccination report is not included this week because we are still verifying the significant number of doses administered last week and those scheduled for this week. We will share this data as soon as we are confident in our reporting.

A video featuring Larry Zook, Michelle Rassler and Dr. Dan Mast will air on WLH Friday, March 12. Check WLH for details

Residents, clients and family members may continue to contact Jenny Sheckells with questions or concerns at jsheckells@landis.org or 717.381.3573. You may find previous communications and videos on our website:
