Landis Communities Report April 28, 2021

This report includes charts with the current vaccination rates across Landis Communities as well as the latest COVID-19 tracking.

As a reminder, vaccines are available to Landis Communities residents, clients and team members through Phoebe Pharmacy, located on the Landis Homes campus. Vaccination clinics at Phoebe Pharmacy are held the first and third Thursday of each month from 1:30-3:30 p.m. The Pfizer vaccine is currently being administered. To schedule an appointment, ask questions or voice concerns, please contact Jenny Sheckells at jsheckells@landis.org or 717.381.3573.

Three new cases of COVID-19 have been identified – two Healthcare residents and one team member who works in Healthcare.

Of the residents who tested positive, one returned from the hospital with a positive COVID test. The other case, also identified at the hospital, had been fully vaccinated so is considered a breakthrough case. Universal resident tests for this week were all negative for COVID-19.

Other communications and videos can be found on our website: www.landiscommunities.org/COVID
