Landis Communities Report May 12, 2021

There is good news to report this week regarding vaccination rates and number of reported cases!

Vaccination rates are climbing as residents and team members continue to schedule appointments to get their shots.

Vaccination clinics at Phoebe Pharmacy on the Landis Homes campus are held the first and third Thursday of each month from 1:30-3:30 p.m. Vaccines are available to Landis Communities residents, clients and team members.

To schedule an appointment, ask questions or voice concerns, please contact Jenny Sheckells at jsheckells@landis.org or 717.381.3573.

Gratefully, no new cases of COVID-19 were reported May 5 - 11, 2021, among residents, clients or team members.

Even though Pennsylvania will be lifting COVID-19 mitigation orders, except masking, on May 31, 2021, Landis Communities affiliates will continue to follow existing reopening guidelines established for locations and level of care areas. We will closely monitor guidelines from the CDC, and Department of Health as well as the Lancaster County positivity rate to determine how and when changes should be made. Face coverings should continue to be worn in accordance with CDC and PA state guidance.
