Landis Communities Report May 19, 2021

This report contains information updated through May 18, 2021.

Vaccination rates continue to increase slightly. We are finding that the majority of new team members have received at least one dose of the vaccine prior to starting employment. We are also seeing an increase in the number of team members signing up for on-site clinics.

Vaccination clinics at Phoebe Pharmacy on the Landis Homes campus are held the first and third Thursday of each month from 1:30-3:30 p.m. Vaccines are available to Landis Communities residents, clients and team members. To schedule an appointment, ask questions or voice concerns, please contact Jenny Sheckells at jsheckells@landis.org or 717.381.3573.

A Landis Communities Update was shared yesterday regarding the use of face coverings. **Those on the Landis Homes campus should note that we received word from PeoplesBank and Phoebe Pharmacy that their corporate policies required that residents continue to wear masks in their locations, regardless of vaccination status. We anticipate that PS Salon will have the same requirement, but we are awaiting confirmation.**
