Landis Communities Report May 26, 2021

This report contains information updated through May 25, 2021.

The overall team member vaccination rate increased to 57.8%. Vaccination clinics continue to be held at Phoebe Pharmacy on the Landis Homes campus the first and third Thursday of each month from 1:30-3:30 p.m. Vaccines are available to Landis Communities residents, clients and team members. To schedule an appointment, ask questions or voice concerns, please contact Jenny Sheckells at jsheckells@landis.org or 717.381.3573.

Two new cases of COVID-19 were reported this week, both on the Landis Homes campus. One is a resident in Healthcare, the other a team member who works in Healthcare.

The team member who tested positive was fully vaccinated, making this the third breakthrough case reported at Landis Communities. None of the three current COVID-19 vaccines are 100% effective so these cases will arise. With this third case, less than 1% of the fully vaccinated team members have tested positive.

The new case noted in Healthcare is a resident from elsewhere on campus who was diagnosed with COVID-19 prior to admission in Healthcare. This case is not the result of an exposure in our Healthcare households. The overall numbers reported in this graph will continue to look off
