Landis Communities Report June 16, 2021

This report contains information updated through June 16, 2021.

The overall Landis Communities team member vaccination rate is now at 60.2%. Team members, residents, clients and family members continue to sign up for the vaccination clinics held at Phoebe Pharmacy on the Landis Homes campus the first and third Thursday of each month from 1:30-3:30 p.m. To schedule an appointment, ask questions or voice concerns, please contact Jenny Sheckells at jsheckells@landis.org or 717.381.3573.

Our goal remains to reach a vaccination rate of 80-85% for residents, clients and team members. However, we understand that there are varied perspectives regarding the vaccine. Please be respectful of and kind to others who may not share your view. May we all continue to be mindful of the Landis Communities guiding values of joy, compassion, integrity, stewardship and community.

To our knowledge, there are no new COVID-19 cases since our last report two weeks ago.

Additional good news is that on Friday, June 11, the Lancaster County COVID-19 positivity rate was at 1.4%! This is the fourth consecutive week it has been below 5%.
