Landis Communities Report August 11, 2021

This report contains information updated over the past two weeks.

We are grateful that the overall Landis Communities team member vaccination rate continues to increase. The current combined rate is 63.7%.

Team members, residents, clients and family members may continue to sign up for the vaccination clinics held at Phoebe Pharmacy on the Landis Homes campus the first and third Thursday of each month from 1:30-3:30 p.m. To schedule an appointment, ask questions or voice concerns, please contact Jenny Sheckells at jsheckells@landis.org or 717.381.3573.

There are two team members who have recently tested positive for COVID-19, one works in Healthcare and the other in Residential Living on the Landis Homes Campus. In both cases, the exposure risk to residents was deemed low based on when they had last worked. Visitation in households was not disturbed.

The CDC Community Transmission rate for Lancaster County moved to Substantial last week, initiating the notice that was sent asking all residents, regardless of vaccination status, to wear face coverings when indoors in common spaces. Team members have continued to wear masks throughout the pandemic.

Landis Communities COVID-19 Tracking

Reporting Timeframe: July 28 – August 10, 2021 (denotes NEW in below chart)

The Lancaster positivity rate moved from 4.6% to 7.2% this past week. We will continue to watch this number carefully and will send notification to residents if it climbs to a level that affects visitation guidelines or community spaces for visitors.

For team members at Landis Homes, the higher positivity rate means an increased use of PPE in care areas, regardless of vaccination status, and weekly COVID-19 testing for those who are not vaccinated.

Residential Living residents at Landis Homes who are fully vaccinated have asked what they should do if exposed to individuals who test positive to COVID-19. If exposed or showing symptoms, we recommend you call your primary care provider immediately for guidance. Please notify Landis Homes if you are told to quarantine or if you test positive.

The protocols for COVID-19 continue to change as we navigate the rapid spread of the delta variant. We will continue to share information as we know it and answer your questions as quickly and directly as possible. Thank you for your ongoing prayers for the residents, clients, team members and families who are part of Landis Communities.
