## Landis Communities Report September 22, 2021

This report contains information updated over the past two weeks.

The overall Landis Communities team member vaccination rate is currently at 67.8%.

As shared last week, Landis Communities is instituting a four-phase plan to require COVID-19 vaccination as a condition of employment. Phase 1 of the plan, requiring new hires to be vaccinated, unless they have a religious or medical exemption, is being implemented. Phase 2, team and individual conversation, is also in process. Team conversations began September 20 and are scheduled through October 1. Individual conversations are also being scheduled. All of these meetings include information on Phase 3, applying for religious or medical exemptions, as well as the considerations team members granted exemptions will need to take in areas like use of PPE and regular testing.

Team members, residents and clients may continue to sign up for the vaccination clinics held at Phoebe Pharmacy on the Landis Homes campus the first and third Thursday of each month from 1:30-3:30 p.m. Family members are not able to schedule appointments at this time. Please contact Jenny Sheckells at [jsheckells@landis.org](mailto:jsheckells@landis.org) or 717.381.3573.

\*Percentages include those individuals who have received one of two doses or final required dose.

\*\*Percentages include team members from all affiliates and campuses.

Six team members have tested positive since last report, all on the Landis Homes campus. Three work in Healthcare, one in Personal care, one in Residential Living and one with Landis Adult Day Services. Two of the six had been vaccinated.

Visitation restrictions in Healthcare and Personal Care at Landis Homes were the result of positive cases among vaccinated and unvaccinated team members. Residents and other team members who had exposure to any of these individuals were notified. **It is important to note that no resident cases have been reported.**

The Lancaster County positivity rate is now at 11% and the Community Transmission rate remains High. The PA Department of Health recently released new guidance for restrictions after exposure. More information will be shared via video on Friday, September 24<sup>th</sup>.

All residents and visitors, regardless of vaccination status, are asked to wear face coverings when indoors in common spaces. Team members have continued to wear masks throughout the pandemic. Please also consider wearing face coverings when out in the greater community, where the risk is high due to high levels of community spread.
