## Landis Communities Report September 8, 2021

This report contains information updated over the past two weeks.

The overall Landis Communities team member vaccination rate continues to climb and is currently at 67.4%.

Landis Communities leaders are discerning next steps regarding team member vaccinations. Please watch for more information next week.

Team members, residents, clients and family members may continue to sign up for the vaccination clinics held at Phoebe Pharmacy on the Landis Homes campus the first and third Thursday of each month from 1:30-3:30 p.m. To schedule an appointment, ask questions or voice concerns, please contact Jenny Sheckells at [jsheckells@landis.org](mailto:jsheckells@landis.org) or 717.381.3573.

During the past two weeks, three team members have tested positive – two on the Landis Homes campus and one who works for Landis at Home. All were unvaccinated. Residents, clients and other team members who had exposure to one of these individuals have been notified. Visitation in Healthcare and Personal Care at Landis Homes was not affected.

The Lancaster County positivity rate is now at 10.5% and the Community Transmission rate remains High. We will continue to monitor these numbers carefully and will notify residents at Landis Homes and Welsh Mountain Home if it climbs to a level that alters visitation guidelines or other reopening plans.

### Landis Communities Vaccination Rate as of 9/8/21

	Organization/ Affiliate	Level of Care/Service Type	Total vaccinated with one or both doses*	
Residents/ Clients	Landis Homes	Residential Living	95.9%	
		Personal Care	91.7%	
		Healthcare	93.6%	
		Landis Adult Day Services	Non-residents only	88.9%
		Landis at Home	Non-residents only	85.7%
		Welsh Mountain Home	Personal Care	87.5%
		Mountain View Terrace	All Residents	62.8%
		Steeple View Lofts	All Residents	97.7%
	Downtowners	Non-residents only	95.5%	
Team Members	All Team Members		67.4%**	
	Landis Homes Campus (Includes Landis Homes & some Landis Communities)		68.3%	
	Landis Adult Day Services		61.5%	
	Landis at Home		68.2%	
	Welsh Mountain Home		51.7%	

\*Percentages include those individuals who have received one of two doses or final required dose.

\*\*Percentages include team members from all affiliates and campuses.

All residents and visitors, regardless of vaccination status, are asked to wear face coverings when indoors in common spaces. Team members have continued to wear masks throughout the pandemic. Please also consider wearing face coverings when out in the greater community, where the risk is high due to high levels of community spread.

During Fellowship Week activities on the Landis Homes campus, team members helping with events will wear face coverings.

Residents, family members and guests are asked to wear face coverings outdoors if six foot of physical distance cannot be maintained. Anyone more comfortable wearing a face covering outside, even if physically distanced, is welcomed to do so.

Sharing this from the CDC:  
*Things You Can Do to Be Safer*

- *Wear a mask consistently and correctly over your nose and mouth*
- *If you are not fully vaccinated and aged 2 or older, you should wear a mask in indoor public places.*
- *If you are fully vaccinated, to maximize protection from the Delta variant and prevent possibly spreading it to others, wear a mask indoors in public if you are in an area of substantial or high transmission.*
- *In general, you do not need to wear a mask in outdoor settings. In areas with high numbers of COVID-19 cases, consider wearing a mask in crowded outdoor settings and for activities with close contact with others who are not fully vaccinated.*

The protocols for COVID-19 continue to change as we navigate the rapid spread of the delta variant and new variants, like MU are identified. We will continue to update you as these changes are implemented across Landis Communities. Thank you for taking every precaution for your health and for the health of those around you.
