Landis Communities Report October 20, 2021

This report contains information updated over the past two weeks.

The overall Landis Communities team member vaccination rate is currently at 71.9%.

As previously shared, Landis Communities is instituting a four-phase plan to require COVID-19 vaccination as a condition of employment.

Phase 1 of the plan, requiring new hires to be vaccinated, unless they have a religious or medical exemption, continues to be implemented.

Phase 2 team and individual conversations have concluded.

Phase 3, applying for religious or medical exemptions is underway.

Requests are due by November 1.

Phase 4 vaccination clinics have been added to the schedule through December 2, 2021, to increase the opportunity for initial vaccines as well as to begin providing booster shots.

The deadline for active team members to have their first dose of the vaccine is December 2. The regular clinics for residents and team members continue at Landis Homes on the first and third Thursday of each month from 1:30-3:30 p.m. Please contact Jenny Sheckells at jsheckells@landis.org or 717.381.3573 to schedule an appointment.

We are aware that moving forward with this approach may affect staffing in some areas of the organization and could disrupt the services provided to residents and clients. We are preparing contingency plans for staffing and will send notifications as these areas are identified.

Landis Communities Vaccination Rate as of 10/20/21

	Organization/ Affiliate	Level of Care/Service Type	Total vaccinated with one or both doses*	
Residents/ Clients	Landis Homes	Residential Living	95.9%	
		Personal Care	91.4%	
		Healthcare	92.9%	
		Landis Adult Day Services	Non-residents only	91.1%
		Landis at Home	Non-residents only	85.7%
		Welsh Mountain Home	Personal Care	90.2%
		Mountain View Terrace	All Residents	62.8%
		Steeple View Lofts	All Residents	97.7%
		Downtowners	Non-residents only	95.5%
Team Members	All Team Members		71.9%**	
	Landis Homes Campus (Includes Landis Homes & some Landis Communities)		72%	
	Landis Adult Day Services		69.2%	
	Landis at Home		67.7%	
	Welsh Mountain Home		66.7%	

*Percentages include those individuals who have received one of two doses or final required dose.

**Percentages include team members from all affiliates and campuses.

Our guiding values of Joy, Compassion, Integrity, Stewardship and Community will continue to be fostered as we navigate the path forward to keep residents, clients, family members and team members safe from COVID-19.

The positivity rate in Lancaster County as of Friday, October 15 was 12.3% and we remain in the high level of community transmission per the CDC guidelines.

Two new cases of COVID-19 were identified among residents – both live in Residential Living at Landis Homes. The case shown on this report for Healthcare had previously been noted as a positive in Residential. Therefore, it is a new case for Healthcare but not another person testing positive. Sadly, one resident who recently tested positive for COVID-19 has passed away. Our hearts go out to the family, neighbors and friends.

Three team members have also tested positive. One of these is a Landis at Home team member. The other two work on the Landis Homes campus with one in Personal Care and one in Healthcare.

Please continue to wear face coverings when in common spaces. Because of the high positivity rate in Lancaster County, wearing them while in the greater community is highly encouraged. Data released Monday from Penn Medicine Lancaster General Health indicates 76 individuals are currently hospitalized due to COVID-19 with 21 of those in ICU and 17 on ventilators. Please continue to do all you can to protect yourself and others.
